Team Building Activity - Concept Car Competition - Great Team Bonding Program

www.BestTeamBuilding.com - Team Building at its Best! This fast-paced competitive Team building event promotes collaboration to achieve a common goal. After electing a Pit Crew boss, each team member will be assigned the task of either designing, planning, building or decorating their people-powered race car. With budgeting, bartering and build time added to the mix, teams are challenged to develop and produce a medal-winning vehicle.
