Wild Discovery Becomes the First Lebanese Network of Travel Agencies to Offset its Greenhouse Gas Emissions

Wild Discovery Becomes the First Lebanese Network of Travel Agencies to Offset its [Cheap Accutane](#) Greenhouse Gas Emissions

BEIRUT, January 11 /PRNewswire/ -- Building on its continuously evolving Corporate Social Responsibility program to support environmentally friendly solutions, Wild Discovery, the network of travel agencies in Lebanon, Dubai and Syria, affiliated to Johnny R. Saade Holdings, is the first Lebanese travel agency to offset its greenhouse gas emissions and thus, becomes carbon Neutral.
