# Take Time Out For Team Building

By most accounts, the term "construction equipment was not coined until the late 1920s. Therefore, what once in organizations and what happened in ancient Rome, for example, in gladiatorial combat - have Maximus and cooperation to encourage them to increase only that any form of morality of the group? Probably not. And the soldiers before the battle is not for the unity and strength of your agent? Certainly there are many chapters in history, "Team Building was)" (or a closely related concept to help a group of functions? Since the publication in 1927, the study of Hawthorne's classic, one of the first studies of human behavior (to work), the team spirit, developing steadily. Elton Mayo, the author of the study, believes that the most important factor was a successful team to create a feeling of group identity, sense of social cohesion and support that comes with the interaction of employees increased to create. " This formula is as relevant today, and companies are constantly looking for appropriate exercises to create an office of Utopia positive and productive. There are many variations of team building exercises that can improve your company's internal communications, morale, trust and solidarity. Although these activities are performed in the sense of fun, is that exist outside the office and the employer believes that the more complex activities and adventure is useful. This can sometimes be the case, but the application of team building exercises in the office is very profitable and resources is to communicate your message. You do not have a mountain range, while playing paintball for cohesion at work to achieve. As a manager, how to facilitate these internal exercises, and more importantly, what are the possibilities for cooperation to reach their employees? After team members work together in a last resort, tangible goal. And the ROI is not having none of it easily. Here are some examples of team building activities that can be performed in his office. You can help create a pleasant working environment, and can also help improve mental and physical health: Amazing Secrets is a large, informal ice-breaker activity. Each participant writes on a Post something about yourself that nobody else knows in the room. For example, is used to playing in a band that appeared on television, and then saved a life, etc on their computers and tables for each guess group, which is one of confidentiality, participants and the winning team receives a prize. This activity reinforces the theme of sharing and discovery, and can often surprising information about colleagues who never associated with them. The Tower of egg is a creative activity indoor team, are the teams with a number of newspapers, a roll of tape and issued an egg. The goal is to make a tower as high as you can to build support for the egg! The teams were assigned two minutes to plan their designs and then the race to build the tallest tower. Bonus points are awarded for aesthetic design and build the best names. This session can last between five and 30 minutes caused - with some falling eggs! Crossing the Line is an internal exercise that leads participants to the concept of cooperation versus competition. You will have a length of rope about 25 feet long (7 5m) and a bit of tape. Place the rope in the form of a circle and a tape of a line in the center of the circle to create two halves. Then select two volunteers of the group (try the two individuals more competitive than anyone should have high ego strength) Pick. Ask them to enter the circle and explain face to face, which is an initiative of power and influence and that the target is its power of persuasion and bribery argument used to cross to the other person completely over the line. The rules are simple, you can not physically touch each other and the audience can not help, suggestions. The duel between five and 30 minutes. Pipe Dreams is not only a great challenge within a team, but a good icebreaker too. It is a rudimentary activity, it is all the computer and immediately feel more relaxed and united. These teams consist of (in groups of two-up) have to create something - an interesting object or present - in a package of pipe cleaners and then we give a brief presentation of what they did. The results can be very creative and surprisingly entertaining! Expect the allocation to take 45 to 60 minutes. Professional Team Building companies also offer more tailored programs.
