# **Funny team building exercise - Fall in lake**

In the Lake and Slate Challenge UKFast teams have to navigate the lake by canoe, retrieve buckets of slate from the beach on the far side, and return home carefully balancing said bounty in their canoe without succumbing to the ever present dangers of the hungry cold lake waters ... For more info about dedicated hosting with UKFast see [www.ukfast.co.uk](http://www.ukfast.co.uk) and for more films [Cheap Accutane](#) by the UKFast film department you can visit [http](http://)
