Leaping Through Life Team Building - Northern Beaches - CAP Australia 2009

Cameron to run a corporate team building and motivational keynote at our annual national staff conference [Provigil pharmacy](#) day. The response we received from our staff was awesome, and for the first year ever, we had 100% positive feedback with the team building exercise. It was fun, relational, competitive and strategic. It was exactly what our team required. The motivational keynote that Cameron conducted was very inspiring and practical. he provided real life tools to allow our team members to move ...
