Nanga Parbat Trek

I took the Pakistan Rowing Team for a trek up to Nanga Parbat base camp as a team building exercise. We drove from Islamabad to Raikot Bridge and from there the team walked up to Fairy Point [Order Generic Cialis Online without Prescription](#) and slept the night. The next morning they walked to base camp and then we walked back. All done within 24 hours. The locals thought it was a little crazy but the men were well conditioned and highly motivated.
