The Power of Taking a Risk

problem was - if I listened to it - it meant I had to take what I perceived to be a significant risk. Ill bet some of you can relate....Am I the only one that this ever happens to? Would love to hear your comments! Websites to check out: www.leadershipmadesimple.com [http www.facebook.com](http://www.facebook.com) www.twitter.com ... Ed Oakley Leadership Made Simple Enlightened power of taking risk change management development developing leadership skills styles effective team building motivation speaker intuition Ed ...
