Farm is a great place to gather to enjoy the countryside, to find inspiration, and to be with good people. We offer to rent our facilities for your personal or corporate events. Retreats With creativity flowing from every building and a setting which is nothing less than inspiring, Snow Farm is the perfect location for your conference or corporate team-building retreat. We can design a craft program, taught by professional artists, which will be tailored to your needs, from a small intimate group of twenty to departments of one hundred or more. If all you require is a quiet meeting space with meals and housing option, Snow Farm is ready to accommodate your group. We guarantee your organization will be rejuvenated, refreshed and re-energized.
