Finding Balance

www.create-learning.com Finding Balance This team building activity represents a difficult challenge for your team. You have many different goals and projects that need to be accomplished; each nail is [Order Generic Accutane Online without Prescription](#) a specific goal and project. All of them are important, and for the team to be successful you must find a solution that uses all the nails hence achieving successes with all the projects. The interconnection between each project is critical to your success; all the projects must be balanced and self-sustaining. Your company has no funding for additional resources, so you will only be able to use the materials at hand
