Extended: Early Bird Rate for October Inc. Leadership Conference

Yesterday in an email to our subscribers, and recently on this blog, I urged readers to register by August 31 for Inc.'s October 27-29 Leadership Conference in Denver so they can attend at the early bird rate, which is \$300 less than the conference rate.

Well, three things have changed:

1. Inc. [Buy Accutane](#) has a new website for their event (same dates and city/venue, though),
2. The conference has been retitled/rebranded as a **Leadership Conference** (it had been called "Creating Competitive Cultures [C3]"), and
3. Best of all if you have not yet registered, **you can still get in at the early bird rate through next Friday, September 10.**

Visit the new website for this event and mark your calendar. With Inc.'s promise to turn you into a "smarter, more proactive and responsive business leader," you will be better equipped to improve employee engagement for a more profitable and productive workplace culture.
