Carlyle sees opportunities in defense and aerospace

The aerospace and defense industry is poised for merger and acquisition activity, thanks to shrinking defense budgets in the U.S. and the UK and a rebound by airlines. Industry bellwethers like Boeing and EADS, the parent company of Airbus, say they're looking for growth through acquisitions. Meanwhile, Europe's top defense firm BAE Systems may sell [Order Generic Cialis Online without Prescription](#) off its aerospace unit, and Boeing chief ...
